We will accept only one vendor per non-craft selling item in **each building**. (ex. 1 - Pamper Chef type items in **each building**). You may bring extra tables and display shelving that will fit into your space. Helium balloons are okay, permitted they are not let loose. Please tie them securely to something stationary. No staples, tacks, pins or nails may be used on the walls. Please be considerate of your neighbors and their space. If you need anything special such as wall space or electricity, please state this on your registration form (also first come first serve basis). If you do require electricity, supply your own extension cords and power strips as only one plug-in is available per vendor. WIFI is available. We are not responsible for WIFI issues. If you are not there by 9 am Sat. without contacting us, we will resell the booth to another vendor so there are no empty spaces (We will try calling you first).
