**“Together we teach, together we learn, and together we succeed.”**

March 15, 2020

Dear Arapahoe School Community,

Fremont County School District #38 has been continually monitoring the situation regarding COVID-19 (Coronavirus). Our goal is to be good stewards of public health and to always keep our students safe. District administration has been coordinating with local and state health officials, other school administrators, and community leaders in order to stay up to date and make decisions with appropriate guidance. **At the current time, our school will be in session on Monday as planned.** However, we are constantly assessing the situation as new information comes out.

In order to reduce opportunities of community spread within the schools, all public events on campus will be cancelled until further notice. This includes the Parent/Teacher conferences scheduled for March 18 and 19, 2020. Report cards will be sent home via mail. Additionally, all student field trips and staff travel have been suspended until further notice.

We encourage our families to practice good hygiene and social distancing as much as possible. This includes:

- Frequently washing your hands with soap and water for at least 20 seconds.
- If hand washing is not available, use hand sanitizer with at least 60% alcohol content.
- Avoid touching your face and mouth.
- Keep a distance of at least 6ft between yourself and others whenever possible.

Additionally please call your provider right away if you or a family member is experiencing any of the following symptoms:

- Fever (temperature of 100.4° or higher)
- Cough (usually dry cough)
- Shortness of breath or difficulty breathing.

Please contact your student’s Principal or the Superintendent if you have concerns.

Respectfully,

Fremont County School District #38 Administration Team
